SUMMARY

Software Engineer & Full Stack Developer with strong expertise in MERN stack, System Design, and scalable web applications. Proficient in Python, C++, and JavaScript, with experience delivering client-focused freelance projects and deploying production systems on AWS. Strong problem-solver with solid understanding of AI/ML fundamentals.

TECHNICAL SKILLS

Languages: JavaScript, Python, C++, SQL

Frameworks: Express

Libraries & Tools: React, Node.js, Git, Mongoose, React Router

PROJECTS

Cyber Threads

Digital Publishing Platform

Node, Express, SQL, Tailwind

- Engineered an efficient and secure RESTful API architecture with robust request handling and validation
- Designed and developed a full-stack content management system for end-to-end publishing
- Implemented authentication and role-based access control for data security
- Delivered a responsive and user-centric UI/UX

EXPERIENCE

Outreach Manager — Internship

Li2

Apr 2025 – Oct 2025

Hyderabad, India

- Established partnerships with colleges, serving as the primary liaison between institutions and the company for technical outreach and collaboration
- Trained and mentored students in Arduino-based embedded systems, covering circuit design, programming, and practical project development

MERN Development — Internship

Hexart

Sep 2024 – Feb 2025

Rethibowli, Hyderabad

- Built and shipped responsive web interfaces using React, Tailwind CSS, and modern JavaScript
- Worked on real client projects implementing reusable components, state management, and API integrations
- Improved UI performance and usability through code optimization and user-focused design practices

Teaching Assistant — Internship

NxtWave

Jul 2024 – Sep 2024

Virtual

- Trained and mentored 30+ students in Web Development using HTML, CSS, and JavaScript
- Assisted learners with debugging, project development, and core front-end concepts
- Strengthened communication and leadership skills by managing doubt sessions and technical workshops

EDUCATION

J.B Institute of Engineering and Technology

Bachelors in Computer Science

Hyderabad, India

July 2022 – June 2026

Sri Chaitanya Junior Kalasala

Higher Secondary Education (MPC)

Hyderabad, India

Jun 2020 – May 2022

CERTIFICATIONS

MERN Based Web Development – Specialty

Nxtwave Developer Certificate
